ABOUT US

Welcome to Thakur Logistics, one stop destination for all your logistic needs. We are India's top most International Freight forwarders, Custom Broker & Logistics Service Providers since last 25 years. Thakur Logistics is based in Mumbai, the financial capital of India.

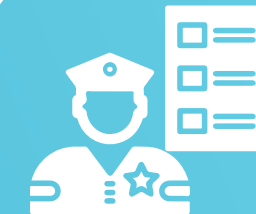

FREIGHT FORWARDING

Seamless global cargo solutions to ensure on-time delivery.

DDP, DAP, DOOR DELIVERIES

Seamless international logistics solutions, simplifying the process with a single phone call.

IN-HOUSE CUSTOMS CLEARANCE

Efficient navigation of international trade regulations.

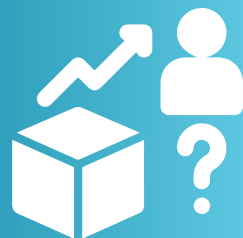

TRANSPORTATION

Count on us for comprehensive and reliable transportation services that ensure the safe delivery of your goods. Your cargo's journey is our priority.

WAREHOUSE & DISTRIBUTION

Our state-of-the-art warehouses and efficient distribution network ensure that your inventory is managed, stored, and delivered with precision.

PROJECT LOGISTICS

We specialize in project logistics, handling large-scale, complex operations with precision and a focus on cost-efficiency.

LOGISTICS SOLUTION

Thakur Logistics crafts customized logistics solutions to meet your unique needs, optimizing your supply chain and driving success.

CONSOLIDATION

Our consolidation services streamline your cargo, reducing costs and improving transit times through efficient grouping and shipping.

VALUE ADDED SERVICES

Experience value-added services that go beyond the basics, providing added convenience and reliability for your supply chain

WAREHOUSING

Thakur Logistics has warehousing space in Nhava Sheva Port Locations. We have already purchased 60,000 sqft of Land in Taloja (Nearest Industrial Hub from Nhava sheva Port) to build modern and dedicated Logistic warehouse in coming future.

Reliable data-collection and reporting systems assures accurate information and visibility on inventories and order processing using state of the art Warehouse Management Systems (WMS) that can be interfaced with that of the customer.

PHARMA & CHEMICAL

Safeguarding the integrity of pharmaceuticals and chemicals with precision logistics.

PAPER PRODUCTS

Reliable handling and delivery of paper products for your printing and packaging needs.

AGRO PRODUCTS

Ensuring the freshness and quality of agro products in every shipment

PRODUCTS WE HANDLE
